Dress Restrictions — Under 21, Adult, Masters & Recreational Dress

UNDER 21, ADULT, MASTERS AND RECREATIONAL DIVISION

RESTRICTIONS ON COMPETITOR DRESS

INTRODUCTION

1.1 Competitor dress restrictions are based on the following guideline principles.

1.2 DanceSport has important artistic elements, which grooming and dress should enhance but not dominate.

- Further dress restrictions are imposed on competitors to ensure that:
- Entry into competition should be as accessible to as many people as possible.
- The cost of entry should be as affordable as possible relative to the minimum standard of dress required for competition.
- At the outset, the emphasis for competitors should be on ability, not dress. As competitors move through the grades more emphasis is given to grooming and dress but never to the exclusion of ability.
- During the formative period of their introduction to DanceSport, new competitors and in particular sub-juvenile and juvenile competitors (as well as parents and coaches), should have virtually no other consideration than to develop their technical ability.
- The health of competitors does not suffer due to inappropriate footwear.

GENERAL PROVISIONS

2.1 Competitors who breach the competition dress regulations while competing in a DanceSport Australia registered competition event are liable for disqualification from the event.

2.2 The attention of competitors, parents and/or coaches is particularly drawn to these regulations, and to the fact that a breach of these rules is unfair to other competitors who have abided by the dress regulations.

2.3 Competitors in Junior, Under 21, Adult and Masters must comply with these Dress Regulations.

2.4 Competitors in all Recreational Division events must comply with the **Dress Regulations** section for **Recreational Division Restricted Dress.**

APPLICATION OF THIS POLICY

3.1 It is the responsibility of both parents and coaches to ensure that competitors adhere to and understand these dress regulations.

3.2 It is the responsibility of the competition organiser of any DSA Registered competition to remind competitors of their obligations to adhere to the dress regulations.

3.3 During the course of any competition event, it is the responsibility of the Chairperson of Adjudicators to inform any competitors that do not comply with these regulations.
